Gingerbread House Craft and Winter Photo Album

Get into the Christmas spirit by building and designing your own gingerbread house. Use your creative skills and tap into your imagination to decorate your gingerbread house in a colorful way! Make sure to share your yummy creation with your loved ones, don't eat it all for yourself! After you have finished your masterpiece, let's take some festive photos and create a special Winter Photo Album.

Dec. 27

Ice Skating Trip

What is one of the most famous winter outdoor activities? That's right, ice-skating! Students and teachers will take a field trip to a local ice-skating rink for a morning of fun that is best experienced during the winter festive season. Take this chance to hit the ice before spring comes around!

Dec. 28

Christmas Party and Christmas Tree Craft

Let's finish off the Winter Program with a celebration! Sing Christmas carols whilst making delicious cinnamon spice drinks. Enjoy festive food with friends, and show off your English abilities in our fun English games. After eating and drinking, make your own handprint Christmas tree to bring back to your home and use during Christmas' to come!
