

# Spring Program – Activity List

Aoyama Preschool/Kindergarten

SPRING ACTIVITIES	PRESCHOOL	LITTLE TIKES	BIG KIDDIES
March 27			
March 28			
March 29			
March 30			
March 31			

### **Preschool (ages 0-3)**

**March 27** Bees and ladybugs are cute bugs, now you can make your very own to keep!

**March 28** Butterflies are a very colorful insect. Make a very colorful pasta butterfly painting!

**March 29** Use a bottle to create a beautiful cherry blossom painting you can hang in your room!

**March 30** Wonderful smelling flowers are blooming and bees are buzzing. Make a floral bee hat you can wear safely without the sting!

**March 31** Spring rain brings out the beautiful colors of a rainbow! Have fun seeing the rainbow without having to wait for the rain!

### **Kindergarten (ages 3-6)**

**March 27** Test out your Green Thumb and grow your very own plant in a custom painted pot!

**March 28** Spring rain brings out the beautiful colors of a rainbow! Have fun seeing the rainbow without having to wait for the rain!

**March 29** Cherry blossoms are beautiful to see bloom in Spring. Make your very own to last all year long!

**March 30** What is your favorite flower? Make a flower for you or that special someone that you can keep for a lifetime!

**March 31** Create your very own moving art! Your butterflies will fly and your plants will grow just like the real ones!
