

Spring Program – Activity List

Shukugawa Kindergarten

DATES	SPRING ACTIVITIES	DESCRIPTION
March 27		Test out your Green Thumb and grow your very own plant in a custom painted pot!
March 28		Make a flower for you or that special someone that you can keep for a lifetime!
March 29		Fuzzy caterpillars may be cute, but don't touch them! Make your very own caterpillar that you CAN touch!
March 30		Butterflies and ladybugs are beautiful, now you can make your very own to keep!
March 31		Spring rain brings out the beautiful colors of a rainbow! Have fun seeing the rainbow without having to wait for the rain!
